

Use **your** **business** to support young people in **Redbridge**

**Help us to run a summer
that young people will
remember for the rest
of their lives...**

This summer we are running a **National Citizen Service** programme for 16 year olds in Redbridge which will aid their personal and social development, through empowering and encouraging them to develop practical skills and supporting their move into the world of employment. NCS will allow young people to design their own positive social action project and they will be fully supported by local charities and experienced youth workers to make a powerful impact in the Redbridge community

And we need HELP!

We are looking for local businesses who can help us deliver real investments in the future of our Redbridge community – via our young people.

You can do this through donations and sponsorships that are tailored specifically to your personal needs and reciprocally benefit you – call today and discuss different ways to contribute.

To learn more about sponsorship opportunities and benefits call: 020 8989 5743 or email: NCS@jlgb.org

A JLGB led NCS Programme

What's in it for you?

A chance to really make a difference to young people

Invest in your own community

Advertise your business through our programme

You can learn more about the programme by visiting www.jlgb.org/NCS where you can also download a brochure
